

Dear Recorders

The NSW Women at the Well committee is pleased to announce that applications are beginning to fill for the 2026 W@W weekend, but that we still would love a few more to come. Could you please announce this at your ecclesia this coming Sunday, and subsequent weeks.

The weekend is only a couple of months away, on 20th –22nd March 2026 at the Mary MacKillop Spiritual Centre on the Central Coast. We would like applications to be in by the end of February, so we can organise our time together well.

Sis Cecelia Muir from Scotland will be speaking on the subject "Community". It promises to be a wonderful weekend of spiritual food and fellowship for all who attend.

We would be grateful if you could please announce it to your ecclesia this coming and subsequent Sundays and distribute the application form to the sisters and young women in your ecclesia, so that they can plan to attend. They can either submit an online application form, or contact Susan Murray at susanm@teamselect.com.au

Here is the link to the application <https://forms.gle/n8xWz24DCptvz4Vv5> or people can scan the QR code on the poster below

As a committee, we have worked hard to find reasonable accommodation at an affordable price so that as many as possible can attend. Of course, we realise it may be stretching the financial budget for some, so we encourage those who need financial support to approach us individually. However, as we have limited funds, we would be grateful for any support you may be able to offer to assist any sisters or young people in your meeting who approaches us for financial help in their application.

Thank you for encouraging the sisters and younger women in your meeting

With love in Jesus,

The NSW Women at the Well committee
(Susan Murray, Liz O'Toole, Georgia Pogson, Cathy Strachan and Lauren Watson)
